

Hans Peter Andersen suddenly passed away on April 6, 2015. Many of us still can't believe that we no longer will see him again.

He was born in Hillerød, Sjælland, Denmark on February 7 1938, and served served his country as a soldier in Randers 1958 – 1959.

The year of 1961 he immigrated to Canada where he spent three years before moving to USA in 1964, and settle in Marin county California. It did not take long for him to meet and marry Inger Marie. They purchased their home in 1965 in Novato.

For many years, Hans worked for the Bettega and the Pedrolí companies.

On March 1 1978, Hans became a LIFE MEMBER of the Danish Soldiers Club of Northern California.

In 1979, Hans got his contractor license, and he worked together with his son John for several years.

Hans has spent many hard labor hours, building the entrance gate to DSC, raising a retainer wall in the creek, building new restrooms, construction of Bentzen Hall, and rebuilding the bar and kitchen.

Hans also served the Danish Soldiers Club as both President and Director and concurrently was instrumental in the Petaluma branch of Dania.

Hans had fifteen wonderful years as a retiree, loved life and lived to the fullest.

For many years, he was part of a group of Danes who met every Wednesday at restaurant Chalet Basque in San Rafael for lunch.

He will be greatly missed by family, lots of friends, members of the Danish Society Dania and the Danish Soldiers Club.
